

## **DEFENSIVE HANDLER TEST - DHT**

Teams must have passed their GDT Test to qualify to enter for DHT Title

1. Handler will post dog on a designated 10 ft line and walk away from dog to a designated area out of sight of the dog
2. Helper will then approach in a defensive manner. Dog should show power/courage and willingness to engage helper.
3. Helper will engage for 15-20 seconds.
4. On judges signal, handler will return to pick up dog

**\*\*If dog will not engage with Helper or backs down from the pressure, it is an automatic fail\*\***
